**PUBLISHED BY
THE CLASS OF 1977
NEW BEDFORD
VOCATIONAL
HIGH SCHOOL**

As the last class of New Bedford Vocational High School you have the honor and the responsibility of carrying the name of our school proudly from this day forward.

You started here four years ago and they have been pleasant and profitable years during which you have matured into young men and women. An unpopular war has ended, a new president has taken office and constant changes are affecting your community, country and indeed the world.

Your challenge is to insure these changes will be for the betterment of all mankind.

The faculty, administration and Board of Trustees wish all of you success in your chosen fields and best wishes for a happy and fruitful life.

Joseph Barbero, Jr.

Congratulations to the class of '77. May you continue to grow, to find inner peace, to contribute to the betterment of your community.

May we always be as proud of you as we are today.

Mary E. Conner

Congratulations and best wishes to the class of 1977. Your lives have grown and developed because you have focused on goals, dedicated four years to learning, and disciplined yourselves to achieve.

A TEAM is defined as a number of persons associated together in work or activity. We are all members of the New Bedford Vocation High School TEAM.

As A TEAM we have adopted specific attitudes and values such as ambition, dedication, hard work,

self-respect, self-discipline, loyalty, honor and self-sacrifice.

Remember this poem:

"Follow the gleam - the good of the TEAM

Submerging all thought of self.

There's joy in the quest that involves the rest.

In spurning self-glory and self

The altruist goal - the good of the whole.

Is not a Utopian dream: He lives the best, who loves the most.

The welfare of his TEAM."

In Memoriam

John I. Janiak
1914-1976

The students and staff of New Bedford Vocational High School were deeply saddened by the passing of John I. Janiak, Machine and Welding Department's Supervisor in April of 1976.

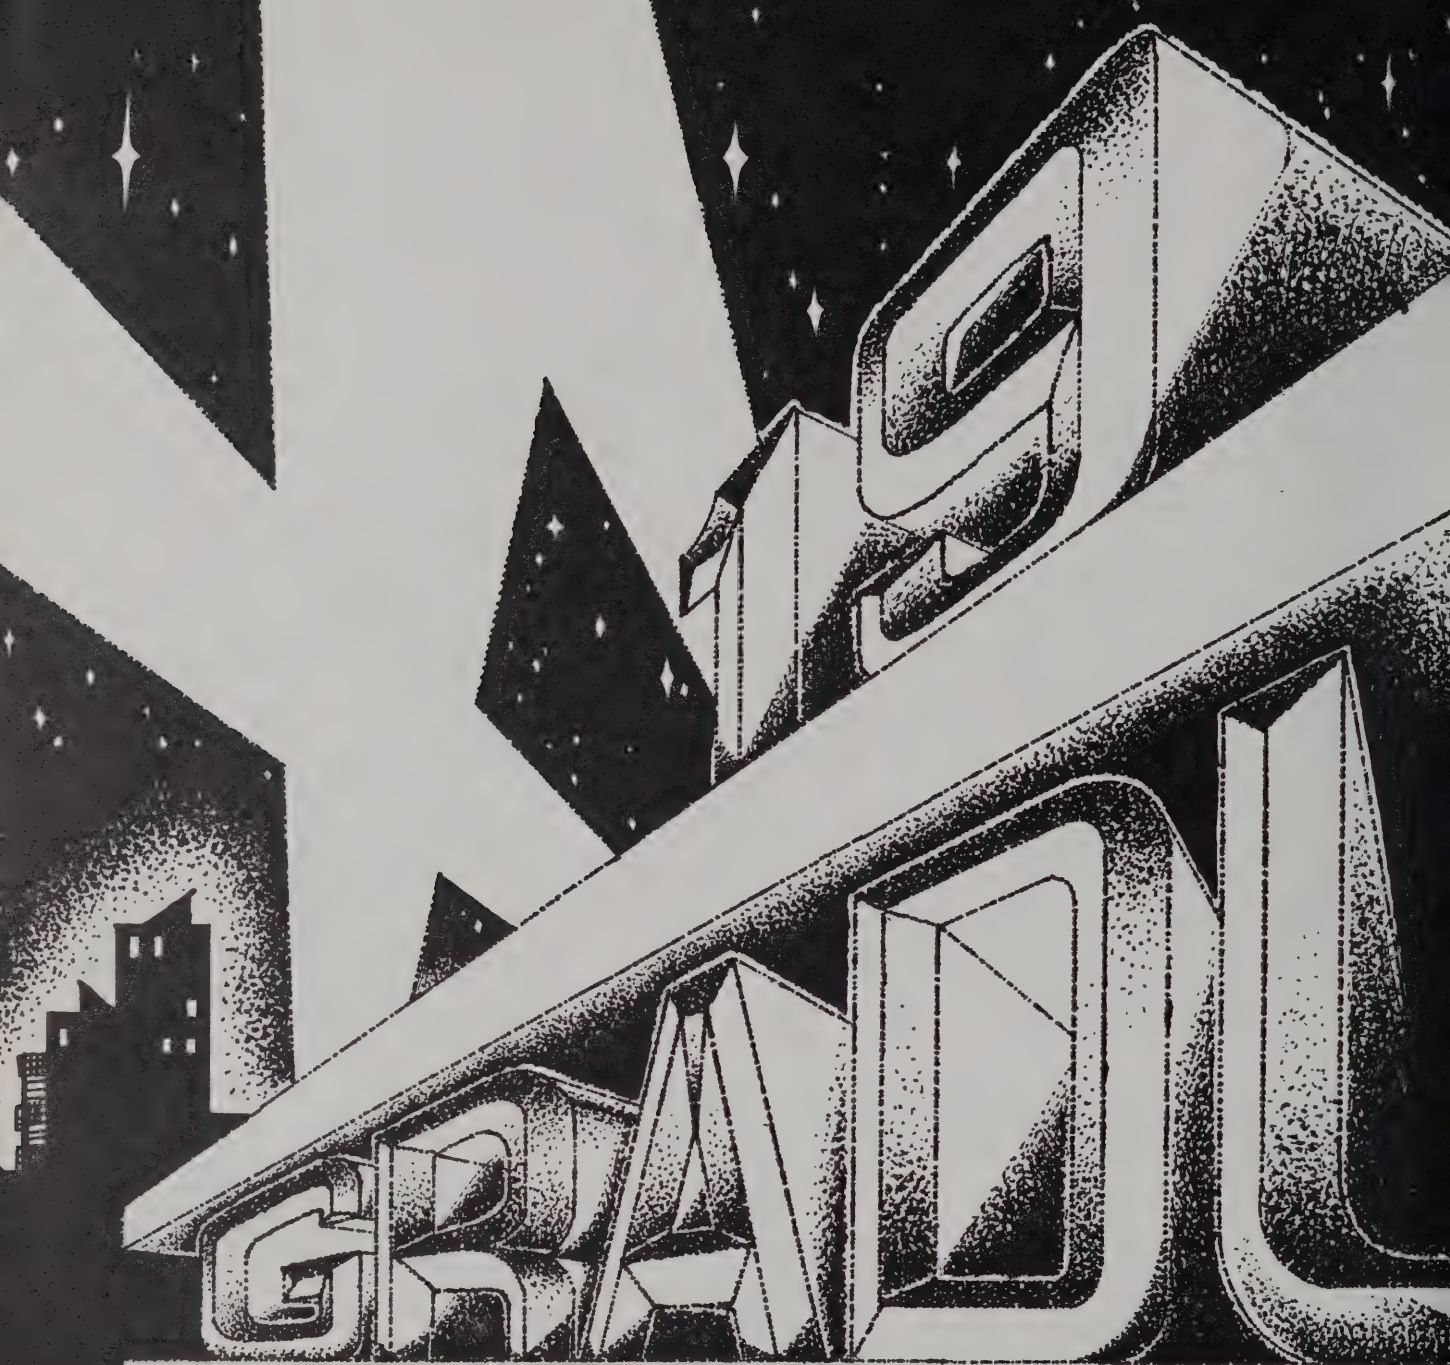

His career at the school spanned 30 years, including 13 years as an instructor and 17 years as a Supervisor. A 1934 graduate of the Machine Department of New Bedford Vocational High School he was employed in various local area industries prior to entering the teaching field. During the World War II years he was employed at the Portsmouth, N.H. Submarine Base and served as Progress Man at this facility.

During his tenure as Supervisor, he was constantly concerned with the welfare of his students, and particularly in their placement in area industry upon graduation. Keeping pace with ever-changing modern technology in the machine trade was his forte, and his students benefitted from the preparation received on computer-controlled and electronic machining tools.

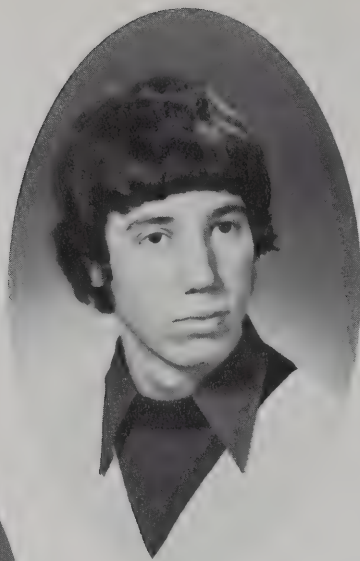

John Janiak was truly a product of vocational education and training who dedicated his career to the advancement and future success of the students of New Bedford Vocational High School.

Memories

In September of 1973, we, the graduating class of 1977, came in with the promise of being the first graduating class of the Greater New Bedford Regional Technical Vocational High School. However, we soon discovered we would be the last graduating class of our old Voke. For our girls, it proved to be a first in many things, particularly sports. It was the first year of our girls' basketball, volleyball and track teams. Early in the year the juniors of '73 sponsored a "Welcome Freshmen" Concert. The bands were "Main Street" and Phase 4".

September, 1974, Sophomores.

The whole year was highlighted by the integration of the classrooms. The girls met the boys and the boys met the girls.

Along came our junior year, we were finally upperclassmen. We elected class officers who were Anne and Patricia Mikina, Tammy Morin and Debi Ruff. In this year, a multitude of things happened starting with a "Welcome Freshmen" Concert with the "Mixed Emotions" and "Andreas". For the first time

ever we had a Spirit Week during which a heavy percentage of the school participated in Greaser Day, Plaid Day, Dress Up Day, and Green and White Day.

In January '76, two busloads of juniors, with their advisors Mr. Guilette and Mrs. Phillips, went to New York. We visited Rockefeller Center, the Empire State Building, Chinatown, and ended the day with a meal at Mama Leone's. Also in January, we had a Pool Party and Pizza Party and Sweetheart's Ball. In May we had our Junior Prom. Its setting was Niagara Falls. In June we had our Junior Class Outing at Our Lady of the Lake camp.

Now it's September again and we're full-fledged Seniors. Our officers are Wayne Nevasseur, Sandie Richards, Anne Minkina and Debi Duff. In October, we had our annual Senior Car Wash and in November, our Hayride. On May 27, we had our Sr. Prom at the Coachman in R.C.S.

On June first, we graduate, leaving our fond memories behind, and looking towards a brighter future.

Cheerleaders

PISAZZ!!!

What other word would be used to describe nine of the most spirited girls in the school. Between candy sales, pin sales and cake sales, the NBVH cheerleaders have managed to support all sports from football to baseball and enter their own competitions besides. Lucy Laferriere (head), Linda Leblanc, LouAnn Griswold, Vivian LaFrance, Carol Stroud, Sue Richard, Sue Haynes, Tricia Rivard and Kathy Rose are the nine girls that have brought the "spirit of '76" into the great year of '77". Thanks to Denise Oliveira their advisor.

SPORTS

Baseball

The 1976 Vocational Baseball Team reached unexpected heights and had its best season in many, many years. A first place finish in the Southeastern Conference Div. III with a 13-3 record and a state tournament both were the results.

The team finished with a regular season record of 14-8 but reached the finals in the Eastern Mass. Div. II Tournament losing to a fine Newburyport team 5-2 and qualified for the Massachusetts State Tournament Semifinals losing to Greenfield by a score of 2-0 in a real heartbreaker.

Highlights of tournament play were victories over Bristol-Plymouth 7-2, Dover-Sherbourne 4-3 and a very big victory over South Boston 3-26.

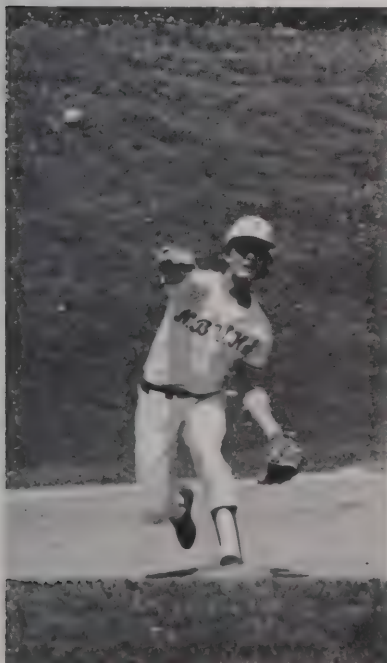

Several things contributed to the excellent showing of the Artisans. The catching and hitting of Captain Roy "the Rat" Richard, the hitting and fielding of Mark "the Kat" Kaeterle and the all around effort of every member of the squad.

The team had a togetherness seldom found but so very necessary for an outstanding season.

Ray Richard, Roger Frommenschloger, David Sylvia and Dan Spooner as seniors, Mark Kaeterle, Dennis Oliveira, Robert Dumas, Gary Gaumont, Wayne Levesseur, and Dennis Macedo as juniors, Kevin Richard, Mark Fitzsimmons and Dona Warrington as juniors all contributed to this year's excellent showing.

Ray Richard, Roger Frommenschloger and Mark Kaeterle made the Division III all star team, Mark Kaeterle made the Taunton Daily Gazette all scholastic team and Ray Richard, Mark Kaeterle and Coach Johnson made the Standard Times all Southeastern Mass. Conference team.

Losing only four players via graduation and a fine crop of JV's up from Coach Bob Simmon's excellent team should indicate another winning season in 1977.

FRONT ROW: Wayne Levasseur, David Sylvia, Daniel Spooner, Roger Trommen Schager, Dennis Macedo. SECOND ROW: Peter Prystarz, Kevin Richard, Dana Warrington, Mark Kaeterle, Dennis Oliveira, Robert Dumas, Gary Gaumont, Coach Johnson.

Football

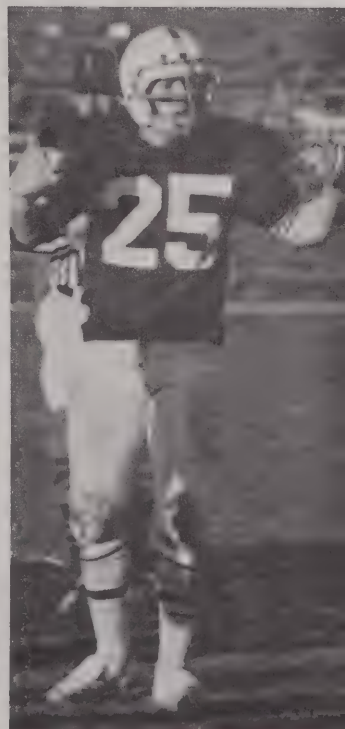

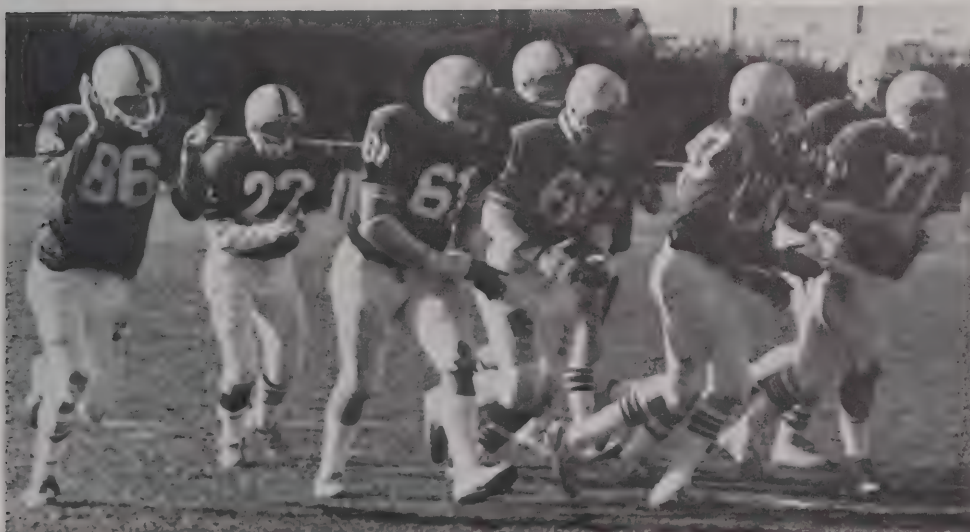

The 1976 Football Team was moved up to Div. II and finished the season with a 3-3 Div. II record and 4-6 over-all.

Off to a slow start the Artisans gained momentum as the season wore only winning their last three games and knocking off previously undefeated Coyle-Cassidy H.S.

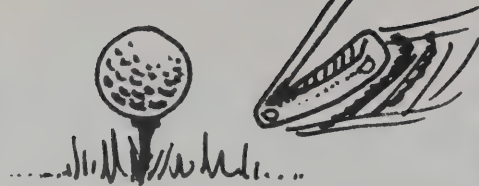

The success of this year's season would have to be attributed to the leadership given by the seniors and example set by co-capt. - Dave Lowney and Barry Bonito.

Named to various all-star teams were high-scoring Mark Fitzsimmons, Barry Bonito, Dan Lowney, Rico Furtado.

Considered a building year the young Artisans showed they could compete in Div. II and will have to be recognized within the near future. This marks the end of the N.B. Vocational era and commences the era of Greater N.B. Reg. Voc. Tech. H.S.

Golf

L-R: Bill Mullins, Rene Choquette, Ernest Wetzel, Dennis Fowler, Steve Duarte.

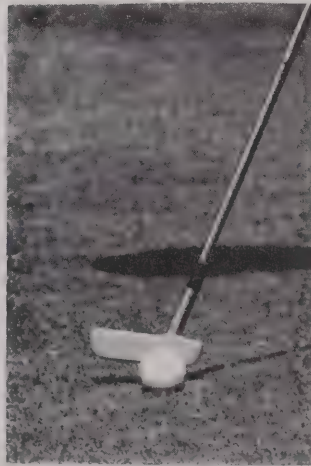

The golf team roster was made up of underclassmen. The team was a young inexperienced team, which tried hard against some very stiff competition. The record in Div. IV play was 1 win 8 losses and 1 tie. However, the record fails to show there were several matches lost by 1/2 point. Rene Choquette played several outstanding rounds during the season.

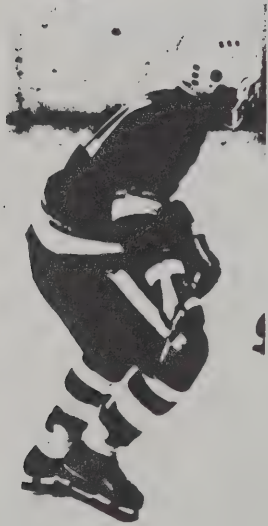

Two freshmen who are working hard at improving their game are Steve Duarte and Rick Sylvia.

We are looking forward to a larger stronger team next season.

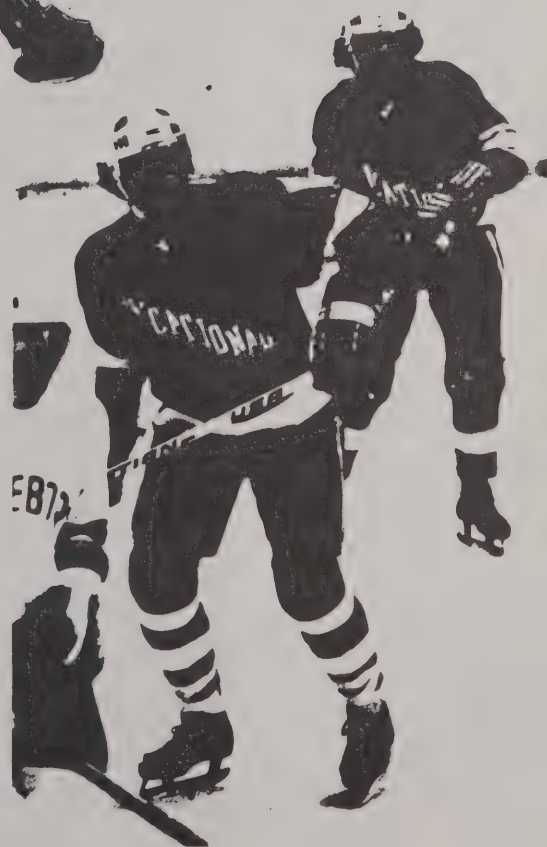

BACK ROW: Coach E. Silva, J. Marshall, M. Greene, P. Lariviere, E. Anderson, E. Begley, D. Vasconcellos, R. Dumas, M. Jeffries, M. Ferreira, S. Braga, R. Bernardo, M. A. Ferreira, M. Ward.

BACK ROW: Head Coach - James T. Souza, Ricardo Morales, Mike Bilodeau, Steve King, Mike Cardoza, Barry Bonito, Keith Sylvia, Mark Richard, Mario Monteiro, Tom Rainville, Mike Sadeck, Asst. Coach - Clarence Brooks.

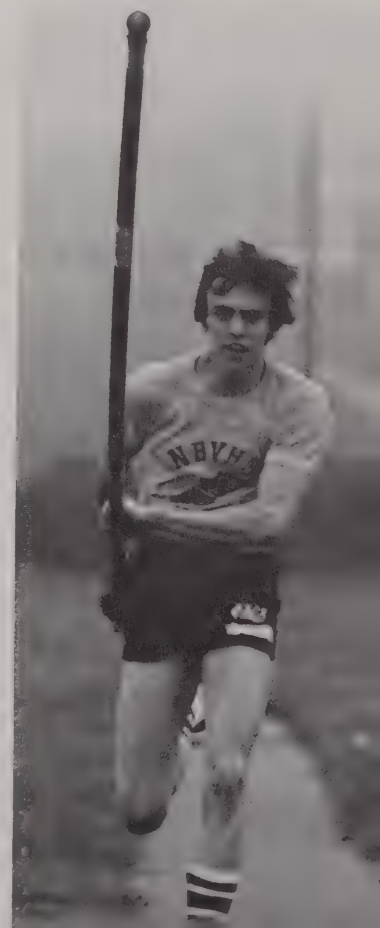

The 1975-76 Winter Track squad won the first conference championship in the history of the school. Led by Captain Jeff Rose, the team was undefeated in conference play with a record of 6 and 0 and an overall record of 7-3.

The spring track team finished in a tie with Old Rochester Regional and Diman Regional for the S.M.C. Div. III Championship. The team's overall record was 7 and 5 and 6 and 1 in conference play.

The team was led by co-captains John Haggerty and Jeff Rose.

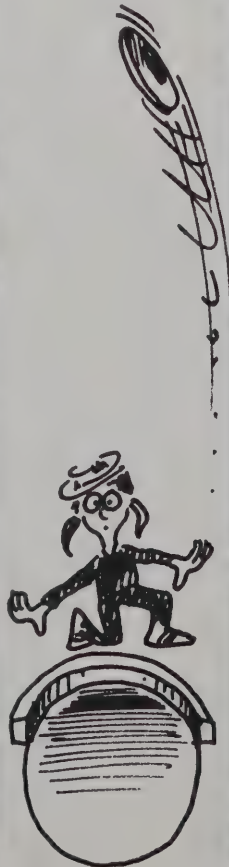

Track

Girls Track

Girls track is a new competition sport which was added to the athletic program in 1976. The 1976 team consisted of some very talented and enthusiastic athletes which established a core for future teams. The high point winners were Theresa Charbonneau, Monica Joseph, Diane Hebert, Julie Quintin, Louise Denault and Doreen St. Pierre. Through the devoted effort of the above and other team members the 1976 girls track team was comparatively successful in its first year.

GIRLS TRACK: FRONT ROW, L-R: Laura Labelle, Madeline Cormier, Monica Joseph, Cathy Goldrick, Donna Labelle, Diane Hebert. 2nd ROW, L-R: Coach Ethier, Louise Masse, Carol Stroud, Teresa Charbouneau, Louise Arsonault, Doreen St. Pierre, Julie Quentin.

Volleyball

FIRST ROW: Shirley Bergeron, Louise Denault, Diane Hebert, Linette Lyonaïse, Barbara Richard, Sue Moniz, Diana Brisette.
2nd ROW: Coach Barrett, Jennifer Peckam, Balinda Sherman, Sue Beaulieu, Tricia Cox, Terry Charbonneau.

The New Bedford Vocational Girls Volleyball team struggled thru a 3-11 record for the season. The fine performances displayed by this young and inexperienced squad shows a bright outlook for the future. The team will miss the appearance of Diane Hebert, (Sr. Co-Capt.) Linette Lyonaise Sr. Co-Capt. and Barbara Richard Sr. Some of the highlights of the season game was about when Voke beat Fairhaven at the latter's gym then again at the home court. Wareham also bowed to the Artisans as they lost a 2 out of 3 game match. Coach Barrett is looking forward to next season as the team will receive its new name in the Greater New Bedford Vocational Regional Technical High School.
